

God is Love.

1 John 4:16

Dear parents,

Our theme for the month of February will be “God is Love”. The focus will be showing God’s love through us to friends and family. We begin with honoring our Grandparents on Grandparents’ Day, Feb. 10th. Grandparents are invited to join us for refreshments upstairs and then come to the rooms for Circle time.

We will show love for our friends when we have our Valentine party on Tuesday, Feb. 14th, (11:00) Please have your children sign their valentines but put no names on the outside of envelopes. This makes it much easier for the children to place valentines in their friends’ bags.

Our theme of love is continued during the week as we celebrate Presidents’ Day and love for our country. We will learn about George Washington and Abraham Lincoln.

After the Presidents’ Day holiday our class will present “The Walls of Jericho” for friends and family on Wednesday, the 22nd. This will be during JAM in the Middle School area at 9:30 am.

Then we head our west the last week of February and celebrate love of country as we learn about the Wild West. Dress you little buckaroos in their finest western gear this week. We’ll have chuck wagon snacks, cowboy crafts, learn the campfire songs, and finish up with a rodeo!

February is one of my favorite months.

In His love,
Cindy Cauthen
